ABOUT ME

I am a Full Stack Software Developer with a passion for frontend development. I work hard, I care about writing clean code and I genuinely love to learn. I'm currently looking for the right opportunity to work in an environment that will help me progress into a full stack role.

WORK EXPERIENCE

Web Development Experience

- Built a SPA with HTML CSS Bootstrap and React.
- Built a SPA with HTML CSS and Bootstrap.
- Built a SPA with HTML CSS Bootstrap Javascript and Google maps API.
- Built a CRUD app with HTML CSS Bootstrap Python and Flask.
- Built a FullStack E-commerce app with HTML CSS Bootstrap Python Django Strip and Emails.

PORTFOLIO: https://juliancameron.se/

Production Assistant, Datasite; London — 2005–2017

- Replied to users enquiries on product and tool features via phone, email and live chat.
- Assisted users with setup and configuration of tools and features within Datasite's technology products.
- Provided educational support on the platform's capabilities and functionality to users and colleagues.
- Built positive relationships while being proactive and anticipating users needs.
- Participated in mentoring and guidance of less experienced colleagues.

Graphic Designer, Connections Communication; London — 2002–2004

- Designed promotional material for multiple EU and local authority funded media courses.
- Led the in-house rebrand team for Connections Communication and sister company Ravenscourt Media.

EDUCATION

Code Institute — Dublin, Ireland

Middlesex University — London, England

Higher National Diploma in Multimedia/Graphic Design

HOBBIES

I am an avid home cook and I love exploring different cooking styles and techniques, of late I have discovered the joy of carbon steel pans and stainless steel pans. Other interests of mine are maintaining a private family network drive, I am also an amateur photographer with an interest in nature and street photography, I am in the process of producing a nature portfolio.
